Part #BMRFFLP

Flip-Up License Plate Hinge

Two (2) 1/4" Phillips head screws
Two (2) 1/4" washers
Two (2) 1/4" Nylon lock nuts
(Used to mount license plate)

READ INSTALLATION INSTRUCTIONS ENTIRELY PRIOR TO INSTALLING PRODUCT

MOUNTING DIRECTIONS:

- Using appropriate snap ring pliers, remove the two (2) external snap rings at the top of your roller fairlead (not included). Install the Flip-Up License Plate Hinge onto the roller fairlead vertical pins. Re-install the two (2) snap rings. (Figure 1)
- Install your license plate onto the Flip-Up License Plate Hinge and fasten with the supplied screws, washers and nuts.

TOOLS REQUIRED:

- Snap Ring Pliers
- #2 Phillips Screwdriver
- 7/16" wrench

ATTENTION: THIS FLIP-UP LICENSE PLATE HINGE IS DESIGNED TO WORK WITH STANDARD ROLLER-STYLE WINCH FAIRLEADS.
